Villa Sonoran

This villa is an exquisite residence found at the most privileged location of Mykonos: right above the popular beach of St. John and within a few minutes' drive from the most cosmopolitan beaches of the island, this luxurious holiday villa is nestled within a private plot of three cubic flat-roofed, private properties.

8 Bedrooms
Sleeps 16
Located in Agios Ioannis, Mykonos

DESCRIPTION

Ideal for sixteen guests, the villa unravels in three tastefully designed floors of a total 458m², all sharing the exceptional sea views of the property's location. The top floor houses the villa's master bedroom with private bathroom and a veranda with sitting and dining furnishings. The villa's main kitchen, that features state-of-the-art equipment, is found on the ground floor along with an open-plan dining and living area.

The lower level of the property hosts seven sophisticated bedrooms along with two more fully equipped kitchens for comfort and autonomy for the fourteen guests of this floor.

The exterior of the villa has been designed by the famous Spanish architect Javier Barba and hosts a large infinity pool with sun loungers and sofas, numerous sitting and lounging areas and a pergola shaded dining and sitting space. Scattered around the outside plot are a few tall tables and stools for sipping cocktails while taking in the exceptional sea views.
